THE OFFICIAL NEWSLETTER OF TREC SOUTH WEST

TSW NATIONAL CHAMPIONS 2021

Well what a brilliant year for Club members at the various Championships. We had representatives at the National Championships, the English and the Welsh, only missing out on the Scottish ones!

The Championships are run by Clubs in collaboration with TREC GB and TRECcies from all over the country including the Isle of Man compete at them. The atmosphere is friendly and the challenges set are usually pretty demanding!

Kay Kitson wrote about the National Championships in the September newsletter, now in this edition Julie Brand tells of her ride with Helen Halpin.

All of our members who competed did extremely well and we are proud to say we now have quite a number of Champions in our midst!
